BOOKING CONDITIONS

Booking Terms and Conditions

The Booking Conditions and the Booking Form comprise the contract between you and F1 Grand Prix Tours CC (hereafter referred to as "F1GPT"). When you sign the Booking Form you are agreeing to the Booking Conditions. When you ask us to book your Grand Prix tour, you appoint us to act as your agent to arrange travel and other services. When we have done that for you and confirmed the booking and you have paid the initial payment, we will accept responsibility for providing your tour. After reading this document keep it in a safe place.

Booking

How do I make a booking?

One person should make the booking on behalf of everyone who is going the tour. That person must be at least 18 years of age when they book the tour. He or she will be the first name on the booking form. This person must have the agreement of everyone who is going on the tour to make the booking with us and will be responsible for making sure all payments due for your holiday are paid in full and at the right time.

The person who is going to make the booking must fill in and sign our booking form. The names of everyone travelling on the holiday must be included on the booking form. This must then be sent to us together with your deposit or full payment as set out in clause 3. Providing we are able to do so, we will then confirm your chosen holiday.

How will my holiday be confirmed?

Your holiday will be confirmed when we issue a Confirmation Invoice. As soon as we do so, there will be a binding legal agreement between us. The Confirmation Invoice will be sent to the person who makes the booking. Please check your Confirmation Invoice and all other documents thoroughly as soon as you receive them, you must advise F1GPT without delay, if any details appear incorrect - it may not be possible to make amendments at a later date.

Disability or other medical conditions

If you or any member of your party suffers from a medical condition or disability, which may affect their tour arrangements, full details of the disability or medical condition must be advised to F1GPT. If in the opinion of F1GPT a particular tour is not suitable for the disability/medical condition, then we reserves the right to refuse a booking at our discretion. In the event of the disability/medical condition not being made known to F1GPT before/at the time of booking, then we further reserves the right to cancel the booking at any stage and the normal cancellation charges will apply.

We are happy to welcome travellers with disabilities on many of our holidays but regret that in some cases we are unable to do so, due to the travel arrangements and/or the hotels, which are featured. The suitability of any tour will depend on the nature of a disability and in some cases whether the person with the disability is accompanied by an able-bodied companion. In order to ensure the comfort, safety and enjoyment of your holiday we must ask all such intending travellers to provide details of your disability and any special requirements before booking so that we can advise whether a particular holiday is suitable and, where necessary, instruct our representatives accordingly.

Price

The tour prices quoted are valid for dates of the respective tours only. F1GPT reserves the right to adjust the tour price at any time (before full payment for the tour is received), due to currency fluctuations or any other unforeseen circumstances. Until full payment is received, the client will at all times be liable for any increases with regards to race tickets, hotel rates, airfares airport taxes, fuel surcharges or exchange rate increases.

Tour prices are based on the total package and no breakdown of costs will be provided. Prices quoted do not include any items unless specifically specified in a booking documentation to the client.

Items Not Included In The Your Tour Price

The following items are not included in your **basic** tour price:

- Race tickets
- Travel insurance
- Passports, visas and vaccinations
- Optional excursions, meals not specified and items of a personal nature
- All airport taxes and air fuel surcharges

Please see the relevant section below for details.

Accommodation

Our prices are per person based on the shared occupancy of double or twin-bedded rooms. (Alternative accommodation supplements are given with the individual holiday details). While a supplement is normally charged for single rooms in European hotels these are often inferior to double or twin-bedded rooms. Three-bedded rooms are usually twin rooms with an extra bed. Check-out time is generally between 10am and midday on the day of departure.

Please note that hotel ratings used in our brochures and website refer to local classifications. Grading systems vary from country to country and cannot be compared. As far as possible we will use the hotels stated in our brochures and website. Occasionally it may be necessary to use an alternative hotel of equal standard and you will be advised at the earliest opportunity. The term 'hotel' includes motels, inns and other equivalent establishments according to local classification.

Shared Accommodation

On most holidays a single room costs more. On selected tours we are able to offer shared accommodation in a twin room with another single person - you then have the pleasure of companionship and pay no supplement. This is, of course, subject to someone of the same sex being willing to share. If you are willing to share please indicate this on your booking form.

Payment

An initial payment (deposit) of 35% is required at time of booking. F1GPT will be under no duty to provide any services to the Client until the Client's initial payment has been received.

The balance of the total tour price is payable not less than 60 days before the departure date. F1GPT shall be entitled to cancel the booking in the event that the balance of the tour price has not been received in full by us 60 days before departure in which event a cancellation charge of 100% of the total tour price will become due. F1GPT reserves the right to cancel any booking without any further notice, which is

overdue in terms of any outstanding payment and all monies received to date of such a cancellation will be put towards the cancellation charge payable by the client.

Travel documents will not be released until receipt of full payment.

Accepted methods of payment include: cheques (subject to a 10 clearing period unless bank guaranteed), bank transfers, cash or credit cards (Visa, Master, Diners Card, and American Express).

Cancellation By The Client

Should you cancel your tour for **any** reason, such cancellation must be made in writing, signed by the same person who signed the reservation form. The official cancellation date will correspond to the **day of receipt** of this notice at **F1GPT** offices. According to this date, the following cancellation fees apply:

In such circumstances, the Company will notify the Client of the cancellation as soon as practicable. Following such cancellation the Company may refund to the Client all or part of the monies paid.
- In other circumstances, such as insufficient demand for the holiday, it may be necessary for the Company to cancel the Client's booking.
