F1 GRAND PRIX TOURS

BOOKING CONDITIONS

Booking Terms and Conditions

The Booking Conditions and the Booking Form comprise the contract between the purchasing company (hereafter referred to as **the Purchaser**) and F1 Grand Prix Tours CC (hereafter referred to as **F1GPT**). When **the Purchaser** signs the Booking Form it is agreeing to the Booking Conditions. When **the Purchaser** requests **F1GPT** to book a Grand Prix tour, **the Purchaser** appoints **F1GPT** to act as its agent to arrange travel and other services. When **F1GPT** has done that for **the Purchaser**, confirmed the booking and **the Purchaser** has paid the initial payment, **F1GPT** will accept responsibility for providing the quoted tour services.

Booking

How does the Purchaser make a booking?

Only an authorised representative of **the Purchaser** may make a booking. The person who is going to make the booking must fill out and sign the booking form. The names of everyone travelling on the tour must be included on an accompanying group member's form. These two forms must then be sent to **F1GPT** together with your payment as set out in the "payment clause" below. Providing we are able to do so, we will then confirm your chosen tour.

How will the tour be confirmed?

The tour will be confirmed when **F1GPT** issues a Confirmation Invoice. As soon as we do so, there will be a binding legal agreement between the parties. The Confirmation Invoice will be sent to **the Purchaser's** authorised representative. Please check the Confirmation Invoice and all other documents thoroughly as soon as you receive them, **the Purchaser** must advise **F1GPT** without delay, if any details appear incorrect. It may not be possible to make amendments at a later date.

Disability or other medical conditions

If **the Purchaser** or any member of its tour party suffers from a medical condition or disability, which may affect their tour arrangements, full details of the disability or medical condition must be advised to **F1GPT** during the booking process. If in the opinion of **F1GPT** a particular tour is not suitable for the disability/medical condition, then we reserve the right to refuse a booking at our discretion. In the event of the disability/medical condition not being made known to **F1GPT** before/at the time of booking, then we further reserve the right to cancel the booking at any stage and the normal cancellation charges will apply.

We are happy to welcome travellers with disabilities on many of our tours, but regret that in some cases we are unable to do so, due to the travel arrangements and/or the hotels, which are featured. The suitability of any tour will depend on the nature of a disability and in some cases whether the person with the disability is accompanied by an able-bodied companion. In order to ensure the comfort, safety and enjoyment of your group we must ask **the Purchaser** to provide details of any group member's disability and any special requirements before booking.

Price

The tour prices quoted are valid for dates of the respective tours only. **F1GPT** reserves the right to adjust the tour price at any time before full payment for the tour is received, due to currency fluctuations or any other unforeseen circumstances. Until full payment is received, **the Purchaser** will at all times be liable for any increases with regards to race tickets, hotel rates, airfares airport taxes, fuel surcharges or exchange rate increases.

Tour prices are based on the total package and no breakdown of costs will be provided. Prices quoted do not include any items unless specifically specified in a booking documentation to **the Purchaser**.

Unless clearly stated differently, the following items are not included in your tour package price:
